Institute

4TH TRASNUSAFE WORKSHOP

Training Schemes on Nuclear Safety Culture for Managers

JANUARY 2012 OUTLINE PROGRAMME (Workshop and External Interactive Event)

IDENTIFYING GOOD TRAINING PRACTICES AND FUTURE CHALLENGES; SAFETY CULTURE AND RADIATION PROTECTION ACROSS THE EU

“Safety Culture is that assembly of characteristics and attitudes in organisations and individuals which establish that, as an overriding priority, nuclear plant safety issues receive the attention warranted by their significance.” INSAG-4

At this event you will have the opportunity to learn about the results from the survey and workshops already held and get an opportunity to provide comment and analysis of the findings and to have input into the way in which the training of nuclear and radiation protection workers may be moulded in the future.

LOCATION:
Room 9, Staff House,
North Campus,
The University of
Manchester

DATE:
17th and 18th
January 2012

DAY ONE 17 JANUARY 2012: Good Practice and Experience

- 09.30 Registration (Refreshments and networking)
- 10.15 Welcome address by Professor Peter Storey (Dalton Nuclear Institute, The University of Manchester) Introduction to the TRASNUSAFE Project and outline of the Workshop Objectives.
- 10.45 Presentation on the current Radiological Protection Training available in the United Kingdom at all levels. (Colin Partington Society for Radiological Protection)
- 11.15 Presentation - Radiation Protection A Regulator's Perspective (ONR - speaker tbc)
- 11.45 Presentation - Radiological Protection in a Research Environment (Peter Cole RPO Liverpool University)
- 12.15 Presentation - Radiological Protection in an Industry Environment (Nuvia - speaker tbc)
- 12.45 Summary and Question Session
- 13.00 Lunch and networking
- 14.00 Presentation – UK Human Performance Forum (Joe McCluskey UKHPF)
- 14.30 Presentation on the Implementation of Safety Culture into an Organisation (Michael Stephens Health, Safety and Security Manager Medical Research Council)
- 15.00 Presentation - Safety Culture in the Medical Environment (Pierre Scalliert UCL, Brussels)
- 15.30 Refreshments
- 15.45 Presentation - Safety Culture in the Nuclear Industry (Jacqui Walker-Sutton)
- 16.15 Summary and Question Session
- 17.00 Close

DAY TWO 18TH JANUARY 2012:

Project Findings and International Challenges and Perspectives

Note: Day Two will be held in workshop format but with web access and possibly web presentations. Information on how to dial in will be provided later.

- 09.15 Registration
- 09.30 Plenary Talk - Nuclear Skills Needs and Passport System (Tricia Austin NSAN)
- 10.00 Presentation – TRASNUSAFE Survey Findings by Benny Carle (SCK)
- 10.30 Presentations – Findings from TRASNUSAFE workshops in Brussels, Bucharest and Madrid (Professor Peter Storey, Dalton Nuclear Institute)
- 11.15 Discussions
- 11.30 Refreshments
- 11.45 Presentations – International Challenges on training and skills (Radiation Protection Institutes outside the UK, to be advised)
- 12.30 Questions and Discussions
- 13.00 Workshop Review
- 13.15 Workshop close and lunch
