ENEN+ PROJECT

FIRST EUROPEAN NUCLEAR COMPETITION FOR SECONDARY SCHOOL PUPILS

SUMMER SCHOOL 1-5 JULY 2019 BUDAPEST, HUNGARY

BACKGROUND OF THE PROJECT

The primary motivation of the ENEN+ project is to substantially contribute to the revival of the interest of young generations in careers in the nuclear sector in the following nuclear disciplines: Nuclear reactor engineering and safety; Waste management and geological disposal; Radiation protection and Medical applications

PARTICIPANTS

The competition is open to secondary school pupils, who are currently enrolled in secondary schools in European States. Teams must have two pupil members and one teacher.

The 15 finalist teams will be invited and supported to attend the summer school in Budapest, Hungary.

TASKS AND TOPICS

The task of the participants is to compose a **3-minute video** on one or more of the four nuclear disciplines. Suggestions for topics include, but are not limited to:

- Jobs in nuclear
- Create a story about nuclear
- History of nuclear science and technology
- Future of nuclear technology
- Nuclear in daily life
- Radiation for health

COMPETITION WEBPAGE

Detailed information on administrative matters, including registration and video submission, is provided on the conference webpage after 15th June 2018:

<http://www.enen.eu/en/projects/enenplus.html>

Submissions for the competition (registration form and video) should be sent to Csilla Pesznyak – at the following e-mail address:

Nuclear.Competition@reak.bme.hu

KEY DEADLINES

1st October 2018 - Video submission opens

1st March 2019 - Video submission deadline

1st April 2019 - Deadline for nomination of 15 finalists
